3. Compliance Information

- Ensure secure mounting before riding / Check fasteners before use.
- Keep away from children: This product contains small parts (zippers, buckles, reflective studs) that may pose a choking hazard; keep out of reach of children under 3 years old.Do not use in severe weather (high wind/heavy rain); Avoid overloading to prevent loss of control.
- Riding check: Inspect the bag's mounting fasteners and structural integrity before each ride; stop immediately to recheck if any abnormality is found during riding.
- Do not overload or overstuff the bag, which will break zippers and straps and hinder bike control.
- Tighten all straps tightly after loading heavy items. The bag may fall off during bumpy rides and cause traffic hazards

4. Instructions for Use

- **Fabric Care:** For nylon/polyester fabric bags, avoid contact with sharp objects and high-temperature sources; repair small tears with fabric glue or patch kits immediately to prevent further damage.
- Distinguish bag types: top tube bag, saddle bag, handlebar bag, rack bag, find the corresponding mounting position on the bike.
- Loosen velcro straps or nylon bands, wrap around handlebars, top tube, seat post or rack.
- Center the bag, tighten all straps, pull hard to test for shaking or falling off.
- Adjust the bag angle to avoid rubbing tires and interfering with pedals and brakes.
- Clean only with clean water and soft brush; avoid bleach and strong acid cleaners.
