2. Intended Use & Usage Instructions

Intended Use

For carrying personal belongings such as tools, clothing, documents, or accessories during riding

Suitable for bicycles and motorcycles only and Personal backpack

Usage Instructions

- 1.Align the bag with the motorcycle's side mounting bar, thread the bag's straps through the bar, attach the metal rings, and tighten.
 - 2.Adjust the strap length to ensure the bag fits tightly against the motorcycle without wobbling,
 - 3.Open the explosion-proof zipper to store items such as riding gloves, tools, and daily necessities. Distribute items evenly to maintain balance.
 - 4.For off-bike use, detach the straps and convert the bag into a crossbody bag using the included shoulder strap
 5. Check that all fasteners are tightened before riding.
 6. Ensure the bag does not interfere with steering, braking, pedals, chain, exhaust pipe, or wheels.
 7. Regularly inspect the attachment points during long-distance or off-road riding
-

3. Warnings and Safety Information

- Before riding, ensure the bag is securely fastened. Confirm that the straps and press studs are fully tightened to prevent the bag from falling off during driving and causing accidents.
 - Distribute the weight of stored items evenly to avoid uneven weight distribution that may shift the vehicle's center of gravity and affect riding stability.
 - Do not hang additional items on the bag to avoid obstructing visibility or falling off during driving, which may pose a hazard.
 - Not designed to carry hazardous materials
 - Not suitable for children
 - Do not exceed the recommended load capacity of the bag
-

4. Maintenance & Care

- Clean with a soft cloth and mild detergent
- Do not use corrosive cleaners
- Allow the bag to dry completely before storage
- Store in a dry, ventilated place away from direct sunlight for long-term storage
- Regularly inspect straps, seams, and mounting components for wear

5. Disposal & Environmental Information

- Dispose of the product in accordance with local waste management regulations
- Do not dispose of with household waste where textile recycling is available
